

CHILD FIND NOTICE

2023 - 2024

It is the responsibility of the Haverhill Public Schools to identify any child who is a resident of Haverhill who may have a disability, regardless of the severity of the disability. Haverhill Public Schools is responsible for evaluating those students to determine if they are eligible for special education or related services under IDEA.

The Haverhill Public School District is committed to identifying children before their third birthday in order to provide early intervention services for three and four-year-olds.

If you have questions or concerns regarding your child's development and would like to have them screened, please call your neighborhood/district school or the special education office at (978) 374 - 3435.

If you suspect that your child, at any age, may need an evaluation to determine eligibility for special education services, you may request an evaluation, at no cost, at your neighborhood/district school.
